

Beaulieu achieved EcoVadis Silver

In January 2026, Beaulieu has been awarded an **EcoVadis Silver** Medal, a distinction reserved for the Top 15% of companies assessed worldwide. Our score places us in the Top 6% overall, just below the Gold threshold. This recognition confirms our structured and long-term commitment to sustainability, ethical business practices, and responsible operations.

78/100

ECOVADIS EVALUATES COMPANIES WORLDWIDE ACROSS FOUR KEY AREAS:

With this score, Beaulieu ranks among the better-performing companies within the EcoVadis network.

Group-Level Assessment – Added value for our customers

The assessment was conducted at **Group Level**. This means that the entire organization was evaluated under a single sustainability framework.

As a result, the Group's Silver rating applies to all of our entities and divisions.

For our customers, this provides:

An independently verified ESG assessment

Transparency and reliability across the entire group

One consistent sustainability standard across entities

Support in meeting supplier sustainability and compliance requirements, backed by a globally recognized rating

At Beaulieu, sustainability is not a standalone initiative but an integrated part of our strategy, governance, and daily operations.

The EcoVadis Silver rating reinforces our ambition to continuously improve and to build long-term, responsible partnerships, fully aligned with our purpose: **shaping value that lasts.**
