BEAU
FLOR®
create

What if you could create a floor that is more than just a surface?
A floor that reflects your space's personality.
A canvas to unleash your creativity.

With Beauflor Create, your floor becomes a statement.
Bold. Expressive. Different by design.

Think bold colors and unexpected textures.
Custom-designed statement patterns.
Brought to life in breathtaking high-definition print.

Our vinyl floors don't just stand up to life...
They stand out.

And the best part?
You don't have to imagine it on your own.
At Beauflor, we co-create with you.
Together, we bring your vision to life

Because when your floor makes an impact...
it elevates everything else.

BEAUFLOR CREATE.
**CREATIVE FLOORS. CO-CREATED.
BANG ON.**

Unleash creativity with Beauflor's tailor-made design floors

Transform any space into a canvas of your imagination with Beauflor's customized flooring solutions. Whether renovating a shop, styling a restaurant, personalizing a public area, or expanding your collections with exclusive designs, our digitally printed vinyl flooring offers unparalleled flexibility and creativity.

You can co-create with our in-house design team to develop bespoke flooring that perfectly matches your vision.

High-definition prints that bring designs to life

Our advanced digital printing technology breaks the bounds of conventional design, offering endless possibilities without visible repeats. With high-definition printing, every detail is captured with stunning precision bringing colors to life and adding depth, texture, and realism to your floors. Expect true-to-nature finishes and vibrant designs that make a lasting impression, whether for a unique project or to elevate your flooring collections.

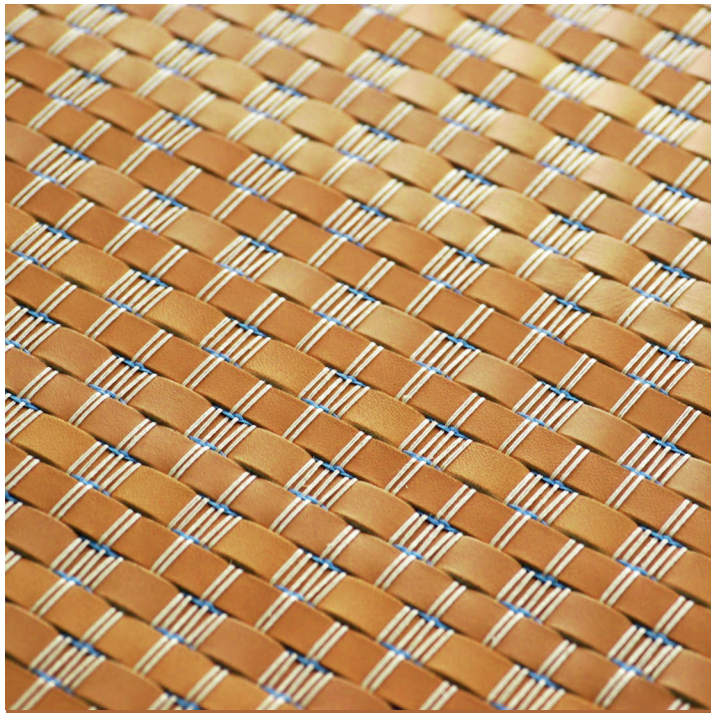

CREATIVE FLOORS. CO-CREATED.
BANG ON.

In today's interiors, there's a strong movement toward creating welcoming spaces that blend history with modern connections. This revival trend celebrates genuine authenticity, offering a nostalgic nod to golden days while bringing a fresh, contemporary twist. It's a vibrant reminder of the profound influence design has on our happiness, showing how thoughtful interiors can evoke both comfort and joy.

The Camberwell design embodies this trend effortlessly. With its warm tones and timeless pattern, it bridges the gap between classic charm and modern style. This design adds a sense of heritage and authenticity to any space while keeping the look fresh and inviting.

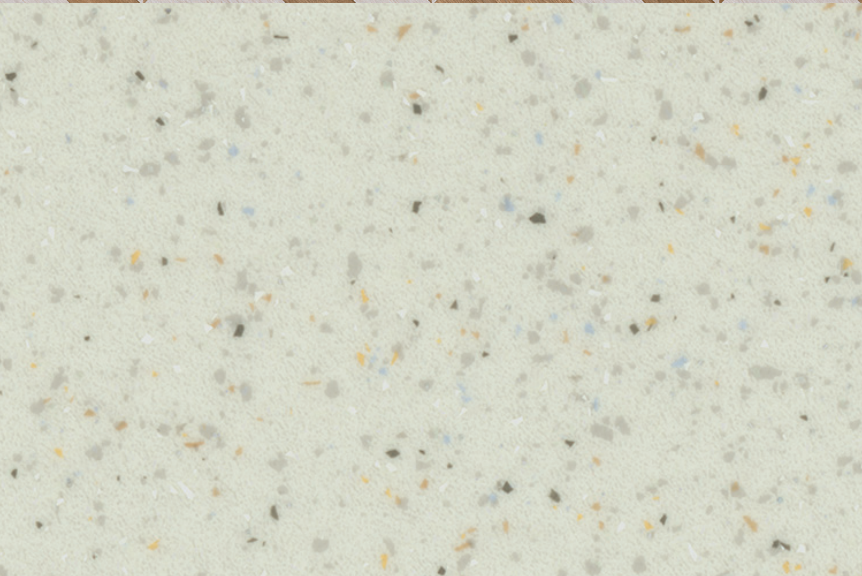

EXTON

RITMO

Where design meets mindfulness and comfort. It's about stripping away the unnecessary to reveal serenity, inviting comfort in the simplicity of our surroundings. Embrace minimalism and transform your home into a true cocoon of peace.

The Branwick design brings the timeless beauty of wood into any space with authentic grain details and a natural, inviting tone. Its understated elegance adds warmth and character, making it a versatile choice for both classic and contemporary interiors. A perfect balance of style and comfort, this design creates a cozy, welcoming atmosphere wherever it's installed.

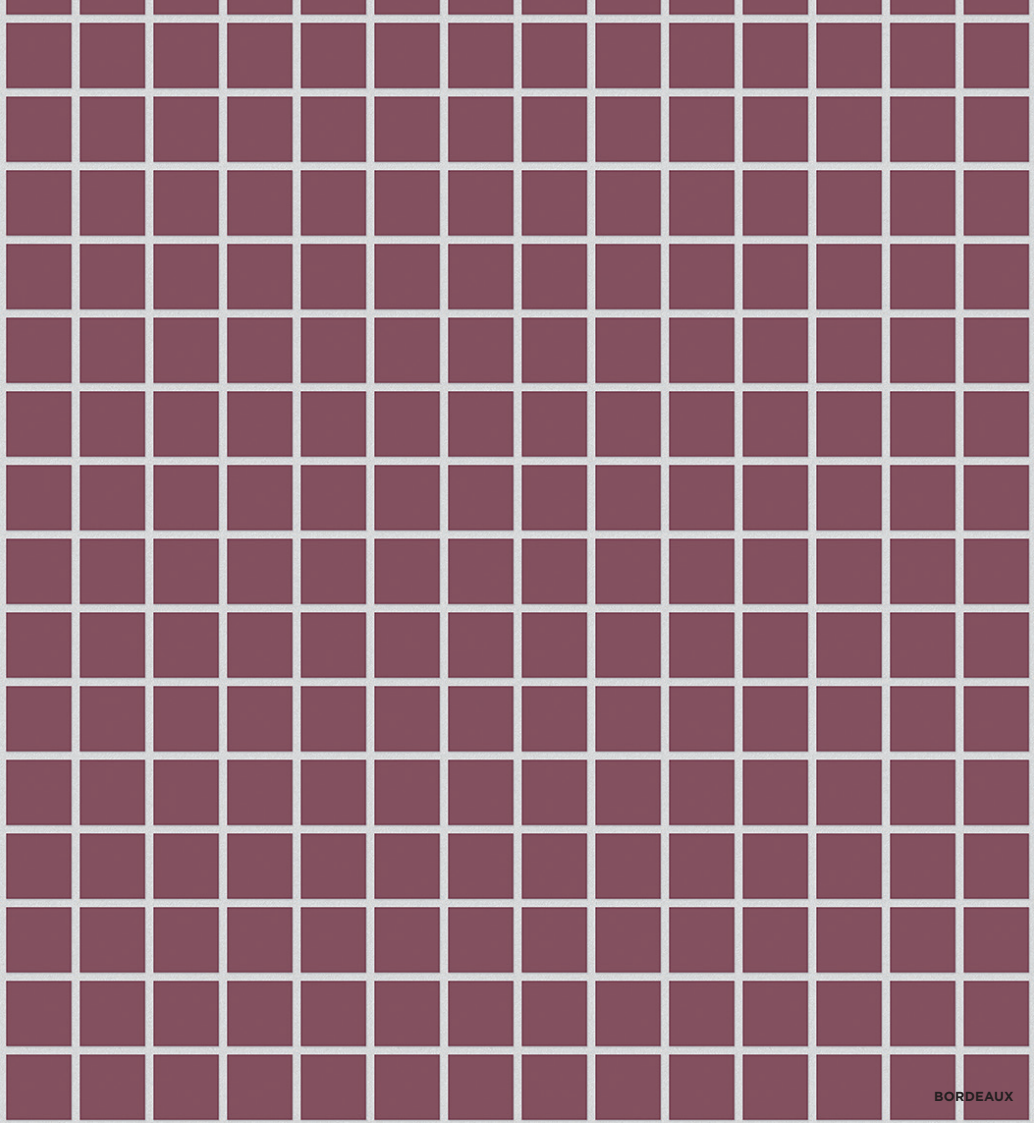

SCATTER

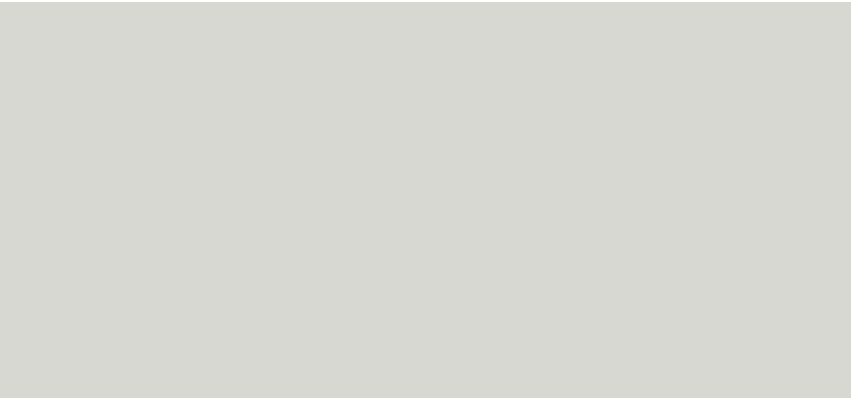

RUBELIA

It's time to let go of the technology that distances us. Let's reconnect with nature and feel truly grounded again. Nourishing your soul and living in harmony with your surroundings, with our planet, is the ultimate luxury. At Beauflor, we create floors that bring the beauty of the outdoors indoors, so your spaces feel naturally connected and inspiring.

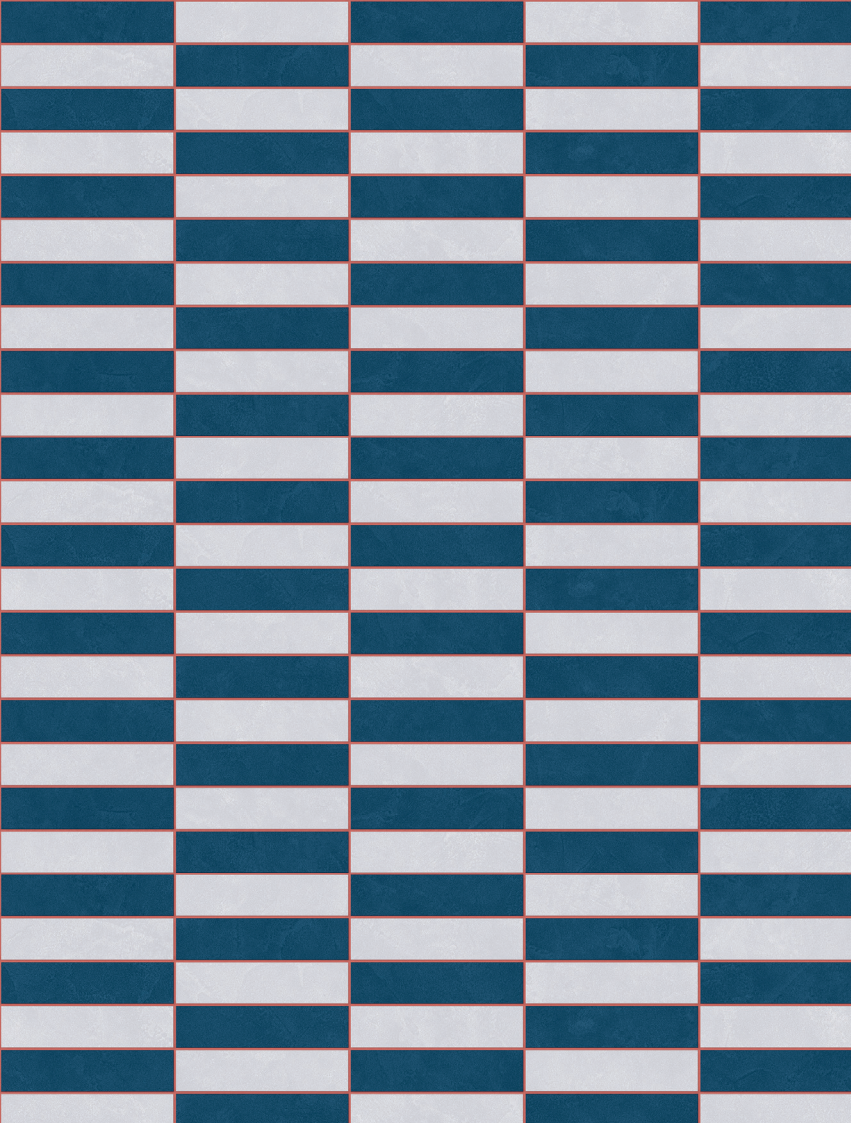

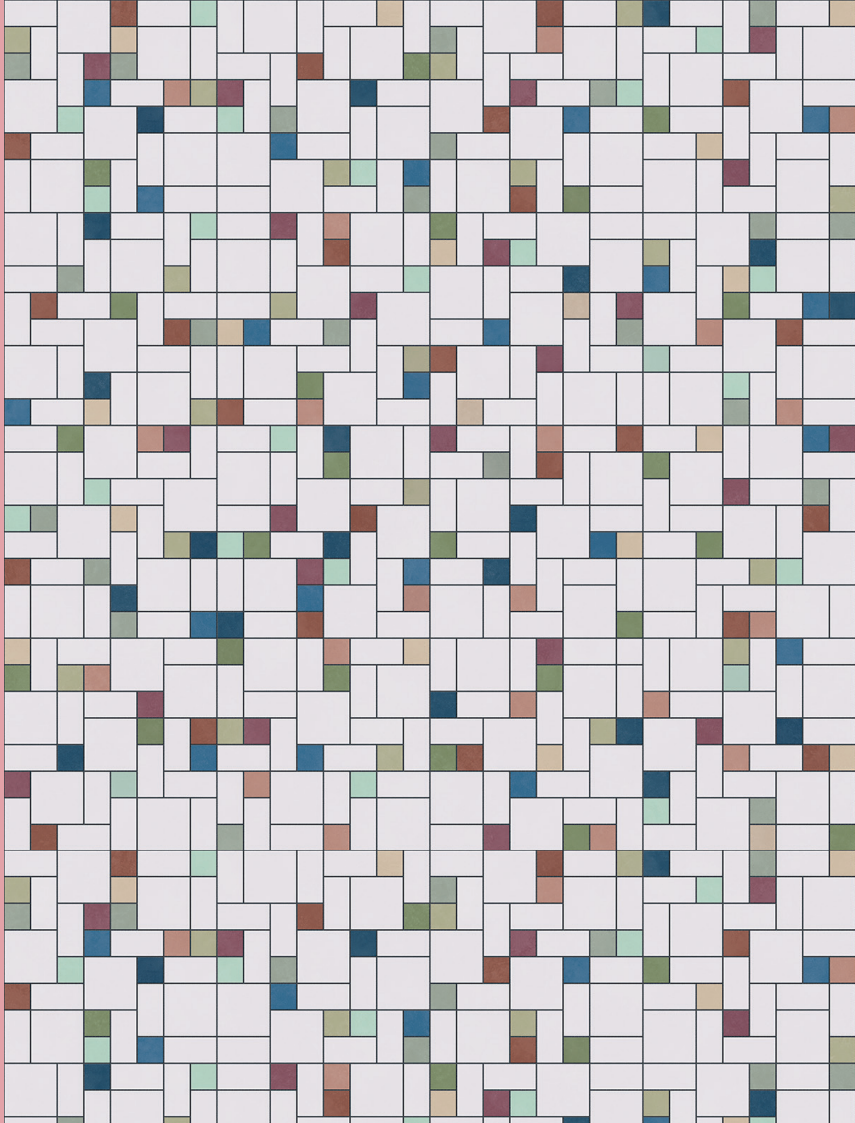

The vibrant world of maximalism is a global trend, an ode to happiness, youth, and unapologetic creativity in interior design. Around the world, interiors are bursting with colour and life, sparking energy and lifting spirits. This bold movement celebrates individuality and self-expression.

The Como design is a bold, eye-catching design that perfectly embodies the vibrant maximalism trend. With its striking pattern and rich character, it brings colour, texture, and life into any space, ideal for those who want their interiors to tell a story and radiate energy.

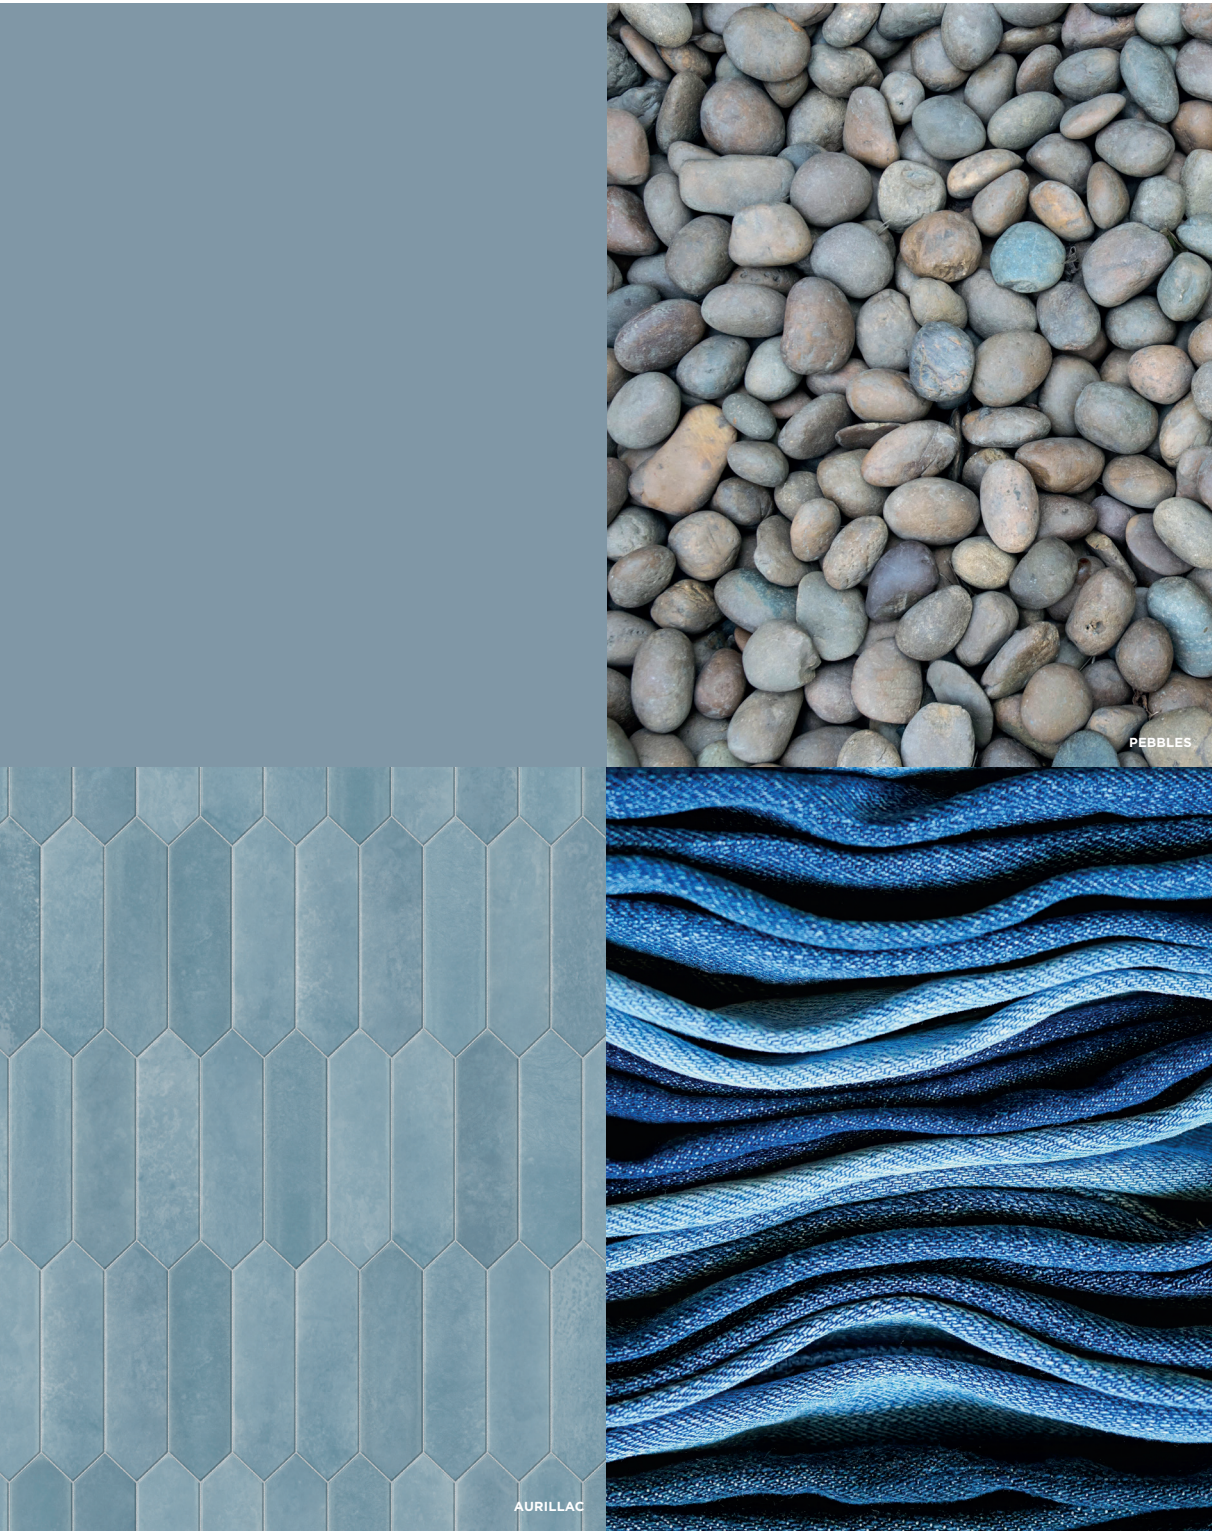

There's a quiet power in water in the way it moves,
reflects, and renews. The color blue calms us,
reminding us of open skies and endless seas. It
connects us to something deeper, something timeless.

At Beauflor, we draw inspiration from the fluid
grace of water to craft floors that bring serenity
and subtle beauty into your home. A space that
flows with you, naturally.

Where your vision becomes reality

Beauflor Create opens up a world of design possibilities with its cutting-edge high-definition print technology. This innovative solution allows us to co-create trend-forward collections together with you, ensuring each design aligns perfectly with the latest market demands and unique creative visions.

Work directly with our design team to create a concept from scratch based on your briefing and we will come up with creative concepts for you to consider.

From the first step to the last, we are there for you.

Our doors are always open: visit our experience center to collaborate in person, get inspired by the latest designs, and bring your flooring vision to life.
