BERRY  ALLOC

Let nature infuse your soul & space.

Feel the true power of nature.

The Parqwood collection, part of our Strong Wood Floors, harmonises the beauty of real wood with the ease and durability of a floor that's stronger than parquet. Crafted in our factory in Meaulne (FR) with tried-and-true innovations, our strong wood floors feature Ultimtec, a solvent-free and ultra-resistant varnish that combines the aesthetic charm of a mat oiled finish with the ease of maintenance and strength of a lacquered parquet.

Endless beauty, maximum strength.

Available in three sub-collections – XL, XXL Long, and Herringbone – Parqwood offers both versatility and sustainability, featuring a palette of five soothing oaks and gentle wood tones to complement any interior.

A true reflection of nature.

Much like any real wooden floor, every plank in the Parqwood collection features a unique shade bringing warmth and a sense of wellbeing to any space.

Parqwood Nude Naturel

A real oak surface with a premium finish, available in a selection of wood tones and plank formats.

Every plank is **unique**, with natural features like knots and color variations adding special character and a distinct look to any space.

Durable & strong for carefree living.

This highly impact resistant floor is easy to maintain due to the Ultimtec varnish, requiring no renovation or sanding, making it ideal for high-traffic areas with a **commercial usage class of 33**.

A clever and conscious use of nature's resources.

This responsible floor covers up to **ten times more** floor surface area with the same amount of oak as traditional parquet floors.

Parqwood Chêne Calm

Your wood choice. Your style.

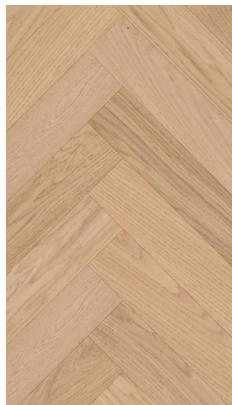

Parqwood brings an exclusive selection of soothing oaks and gentle wood tones to suit any space. For a subtle look, choose Calm, featuring harmonious and regular lines perfect for serene and peaceful spaces. Or opt for Naturel, which brings a balanced yet lively, and energetic feel to any room.

Parqwood captures the natural beauty of real wood. Each plank is characterised by its own singularities and natural shade variations. Experience your floor growing in character, enriching your spirit along the way.

Select your timeless colour.

Nude

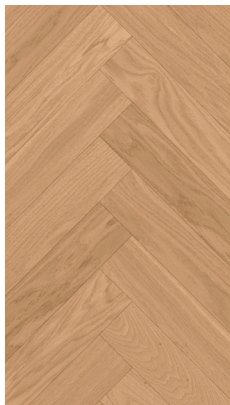

A very light white-beige with hints of linen and hazelnut. Its spirit is luminous, reassuring & neutral.

Nude Calm
Herringbone A 61001494
Herringbone B 61001490
CC* orange

Chêne

A bright yellow ochre with hints of amber, turmeric and honey. Its spirit is authentic, eternal, reassuring & understated.

Chêne Calm
Herringbone A 61001487
Herringbone B 61001491
CC* yellow

Ambre

An intense ochre-brown with hues of orange with hints of honey, amber, cashew, havana and oxide. Its spirit is vital, classic, unchangeable & universal.

Ambre Calm
Herringbone A 61001488
Herringbone B 61001493
CC* orange

Silk

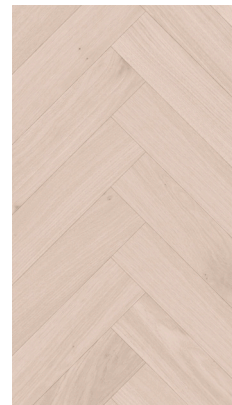

A light, whitened, straw beige, with hints of ochre, orange and vanilla notes. Its spirit is understated, harmonious & soft.

Silk Calm
Herringbone A 61001485
Herringbone B 61001492
CC* yellow

Albatre

A very light pinkish white-beige with notes of wheat, motherofpearl, turtledove grey and straw. Its spirit is understated, silky, refined & harmonious.

Oiled look, enhanced durability

Ultimtec® provides an exceptionally matt finish and makes Parqwood ultra resistant to scratches and wear & tear all while preserving the authentic feel of the wood.

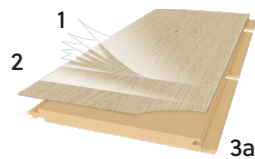

Easy to clean and to maintain, Parqwood combines natural beauty with long-lasting durability.

Quick & easy to install

The BestLoc X-Treme and OmniLoc locking systems ensure a beautiful, flawless floor due to their incredible locking strength for improved stability.

Parqwood XL and XXL Long

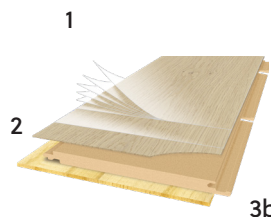

With Best Loc® X-treme, install the planks one after the other by simply clicking them into place. No tools or glue needed.

Parqwood Herringbone

With OmniLoc, install each plank after the other by using the BerryAlloc installation tool or a tapping block and hammer.

Code : 63003584

- 1. Ultimtec lacquer surface treatment
- 2. Oak surface: 0.6 mm
- 3a. Sliced HDF core
- 3b. HDF core and sliced spruce backing

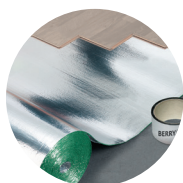

Thin yet remarkably strong.

The thinner the oak top layer, the more resistant the floor is to impact. Our Ultimtec varnish protects the 0.6 mm oak surface, ensuring durability and longevity of your floor. The high density of the HDF core enhances heat transmission when used with underfloor heating and absorbs and reduces noise due to its mass effect (875 kg/m³).

Don't forget the lovely details.
